# BFP - Type BA - Cat. 4 4-AQUA-PRO

Version: 09/25

## JCH series 3550/10 - type 2490 Spar parts list

| Component                 | Material                 |
|---------------------------|--------------------------|
| 1. Relief valve w. spring | CW625N / EPDM / AISI 302 |
| 2. Check valve upstream   | POM / EPDM / CW625N      |
| 3. Check valve upstream   | POM / EPDM / CW625N      |
| 4. O-ring for Bonnet      | EPDM                     |
| 5. Drain                  | PP                       |
| 6. Union nut              | CW617N                   |
| 7. Nipple                 | CW625N                   |
| 8. Gasket                 | Fiber                    |
